Black Cat Stockings

Many of our mother-customers have learned that our children's stockings at a quarter are the most servicable a quarter can buy. They're reinforced at heel, toe, knee and top—just where the wear hits hardest.

Colors—tan, white or black—**25 Cents**

Our two pair for a quarter children's stockings are the best we've selected from dozens of brands. Knitted from durable yarns, fast color, sized right—12 1-2c a pair, 2 pair for 25 cents.

Our Whiteleather stockings are 10c a pair.

SCHOOL BOARD FILLS THREE VACANCIES

At a meeting of the school board Tuesday afternoon Miss Etta Russell was elected to a position in the Irving school to succeed Miss White, who declined to accept for another year. Miss Maurine Truitt was elected to a position in Willard school to succeed Miss Garrison, who also declined to accept for the coming year. Miss Clara Mitchell of Tupelo, Mississippi, who was elected principal of the Willard school, having accepted a position as head of the department of Latin at Ardmore, declined the one here. The board elected Prof. Bradley, formerly superintendent of the Calvin school, to fill the vacancy.

MORE BUSINESS

Is better business if properly conducted. We strive to keep ours on high plane.

Farmers State Bank
W. L. REED, Pres.

Would Raise Tax on Liquors.

Washington, April 29.—Representative Vaughan of Texas today made good on one of his campaign promises to the extent of introducing a bill looking to the separation of the liquor interests from a part of their profits. Mr. Vaughan says \$180,000,000 a year is a conservative estimate of the amount that the distilleries and breweries would have to give up if his bill were enacted into law.

The plan proposed in the Vaughan bill is to place the internal revenue tax on malt and spirituous liquors at exactly the same figure as the tariff duties on those articles. That would produce a condition whereby foreign liquors could come into competition with American distilleries and breweries on an equal basis. The present tax rate on whiskey is \$1.10 per gallon; the import duty is \$2.60, a protection of \$1.50 per gallon to the distilleries, according to Mr. Vaughan's calculations. He would put the internal revenue tax at \$2.60 per gallon so that the protective differential in favor of the American distillers would be wiped out. He figures that more foreign liquors would be imported and less distilled in this country with the result of reducing the making of liquor in the United States.

Wilson to Speak in New Jersey

Washington, D. C., April 30.—President Wilson will leave the capital tomorrow morning for the first speech making trip he has taken since he was inaugurated last month. He is going to his home state of New Jersey to speak to the people in behalf of jury reform and other legislative measures in the face of which he is greatly interested. In speeches to be delivered in Paterson tomorrow night and in Jersey City the night following the president will appeal to the people to bring pressure to bear on the assemblymen to support the jury reform he advocates. Both speeches will be made under the auspices of the Democratic State Committee of New Jersey. The president, according to his present plans, will spend Thursday and Friday nights in New York and will return to Washington Saturday morning.

DALLAS GETS OFFICES OF COTTON CORPORATION

Dallas, April 30.—Decision to move the headquarters of the Southern States cotton corporation from Macon, Ga., to Dallas, Tex., was made at a meeting of the stockholders of that organization here last night. In connection with the stockholders meeting the corporation is holding a three days' cotton convention, which is attended by several hundred persons, many of them cotton farmers, mainly from Texas and Oklahoma.

Today's program consisted of addresses by cotton men from various parts of the South, including Alfred Aldrich and J. L. McLaurin of South Carolina.

State Commissioner of Agriculture Ed R. Kone, of Texas, was expected to address the convention today.

Let the News WANT COLUMN be your agent. Results are sure.

BOOSTING FOR THE STATE FAIR

Practically every man on the Oklahoma City Trade Excursion which passed through Ada on Tuesday was a booster for the 1913 Oklahoma State Fair and Exposition, which opens at Oklahoma City September 23 and closes October 4. Announcement was made by a representative of the Fair that the big Premium List will be ready June 1, and that a copy will be sent to every person exhibiting last year and to any others making application. Little red stickers, giving the date of the Fair; handsome pennants, walking canes and a booklet entitled "Truths About Oklahoma" and other literature and novelties made the State Fair advertising material readily among the best on the train.

It was said that the officers and directors of the State Fair are now at work with the view of making the exhibition this year the final word in all

If You Value Your Eyesight, see An Expert Optometrist I have spent 20 years preparing myself to perfect the refraction of the eye. My modern equipment, backed by this long experience is your Guarantee of Satisfaction. A. J. COON, Ramsey's Drug Store, Ada, Okla.

that such an institution should be. Great things are expected at the Fair of 1913 from the twenty-three counties traversed by the Trade Excursion. Statistics were given out showing that practically every county was represented at the 1912 Fair, with approximately the following number of exhibits: Cleveland 66, McClain 6, Garvin 7, Murray 19, Carter 9, Marshall 4, Johnson 25, Pontotoc 10, Seminole 3, Hughes 2, Pottawatomie 15, Lincoln 25, Payne 10, Osage 2, Tulsa 2, Creek 4, Pawnee 4, Noble 15, Garfield 20, Grant 34, Kay 30, Logan 15, or a total of 312 exhibitors from twenty-two counties, Oklahoma county not being included.

Since the first State Fair in 1907 the following counties touched by the excursion have had county exhibits: 1908 Cleveland, third; McClain, Pottawatomie, Lincoln, Pawnee, 1909 Cleveland, first; Lincoln, second; Noble, fourth; Logan, seventh; Johnston, tenth; Hughes, 1910 Lincoln, first; Cleveland, third; Noble, fifth; Pottawatomie, eighth; Hughes, Johnston, Carter, 1911 Noble, first; Cleveland, second, Lincoln, fourth; Kay, sixth; Grant, seventh; Johnston, eleventh; Carter, fourteenth; Garfield, Pottawatomie, 1912 Pottawatomie, third; Noble fourth; Cleveland, fifth; Logan, sixth; Kay, eighth; McClain, tenth; Johnston eleventh; Grant, twelfth; Carter, fifteenth; Lincoln, Pontotoc.

Banks in nineteen out of the twenty-three counties touched by the special train are interested in the Boys' and Girls' contest that will be held by the Farmers' Co-operative Demonstration Work in co-operation with the State fair. Some of them have offered a special premium for the best corn; others are offering special premiums for the best kafir corn and still others offer premiums for the best cotton. It was said that a total of ninety-five banks in the entire state are offering special premiums to encourage and promote better farming in Oklahoma. Still other banks are interested in the Girls' Canning Contest, also under the auspices of the State Fair and Exposition.

Another big feature open to every member of the Boys and Girls Clubs of Oklahoma is the pig contest. Cash premiums amounting to \$325 have been arranged and all entries must be made by June 1, 1913. Application blanks, bulletins on feeding and other information may be had by addressing I. S. Mahan, Secretary, Oklahoma City, Oklahoma.

Out of a total of 1,459 exhibitors, with 8,073 exhibits at the State Fair last year, the records show that the twenty-three counties included in the itinerary of the excursion furnished many prize winners in the various departments, of which there are twenty-one, including beef cattle, dairy cattle, heavy horses, jacks, jennets and mules; light horses, Horse Show, sheep, swine poultry, farm products, county exhibits, horticulture, floriculture dairy, apiary, minerals, fine arts, education, culinary, textile and others.

Methodist Cornerstone Laying

Dallas, Texas, April 30.—The cornerstone of the men's dormitory of the Southern Methodist University was laid this morning with interesting exercises. Among those in attendance were the members of the general board of education of the M. E. Church, South, now in annual session here, and the members of the College of Bishops which will hold its annual meeting here next week. Bishop A. W. Wilson of Baltimore, laid the cornerstone. Bishop James Atkins presided over the exercises and Bishop J. H. McCoy and Judge M. M. Brooks delivered orations.

Increasing Profits on the Farm.

Spokane, Wash., April 30.—Realizing the advantage of raising cattle in connection with their big wheat farms

many farmers in the Palouse country, south of Spokane, are turning their attention to cattle as a means of increasing their profits. Those who have been engaged in dairying for two or three years have made such encouraging reports that many others this year are trying the system. As a result, many farms that have been devoted exclusively to wheat growing will be equipped with silos and herds of from a half dozen to 60 cows. In addition to increasing the returns from the land, the farmers have demonstrated that cattle raising has a potent influence in conserving the fertility of the soil. Alfalfa is being cultivated on many ranches as well as corn for ensilage. Hog raising also is attracting considerable attention from Palouse country farmers.

CARTER WOULD WIND UP TRIBAL AFFAIRS

Washington, D. C., April 12—Henry McGhee, Ada, Okla. My Dear Sir: Replying to your letter of the 24 ultimo I will say that there are about 50,000 for enrollment under the head of Mississippi Choctaws. The whole question of their claim hinges on the one proposition of residence in the Choctaw and Chickasaw Nation prior to a certain date. If this question be waived by the Chickasaws and Choctaws I feel there would be little chance of successfully combatting many fraudulent claims and if even ten per cent of them (5000) are admitted to citizenship their pro rata share would fully consume the undivided estate so that there would be not one dollar to divide among the present enrolled members and no necessity of the enrollment of new born babies for the very good reason that there would be no property or money to divide among them. With further reference to the new born babies, I will say according to the amount of births that occurred between March, 1906, and March 4, 1907, there must be now ten or twelve thousand youngsters of this class among the Choctaws and Chickasaws. If they were enrolled they could not receive a full share unless some of the allotments already made cancelled and sold.

We will do what we can to wind up tribal affairs at the earliest moment but if the issue becomes involved with any kind of general enrollment either with new borns, Mississippi Choctaws or others I do not think the present generation will ever live to see the finish.

Very truly yours,
C. D. CARTER.

OLD-TIME REMEDY DARKENS THE HAIR

Gives Color, Lustre to Faded and Gray Hair—Dandruff Quickly Removed.

For generations Sage and Sulphur have been used for hair and scalp troubles. Almost every one knows the value of such a combination for keeping the hair a good, even color, for curing dandruff, itching scalp and falling hair, and for promoting the growth of the hair. Years ago the only way to get a hair tonic of this kind was to make it in the home which was troublesome and not always satisfactory. Nowadays, almost any up-to-date druggist can supply his patrons with a ready-to-use product, skillfully prepared in perfectly equipped laboratories.

An ideal preparation of this sort is Wyeth's Sage and Sulphur Hair Remedy, in which Sage and Sulphur are combined with other valuable remedies for scalp troubles and thin, weak hair that is losing its color or coming out. After using this remedy for a few days, you will notice the color gradually coming back, your scalp will feel better, the dandruff will soon be gone, and in less than a month's time there will be a wonderful difference in your hair.

Don't neglect your hair if it is full of dandruff, losing its color or coming out. Get a fifty-cent bottle of Wyeth's Sage and Sulphur from your druggist, and see what a few days' treatment will do for you. All druggists sell it under guarantee that the money will be refunded if the remedy is not exactly as represented. Agents, Gwin & Mays Drug Co., Ada, Okla.—adv.

DEATH OF LUCILE STONE

About 9 o'clock Tuesday evening, Lucile, the daughter of Otto Stone and wife, who live 627 West 15th street, died from an attack of measles and pneumonia. The funeral was held at the family home this afternoon, conducted by Rev. C. Stubblefield, deceased being a member of the Baptist church. Interment took place at Rosedale cemetery.

Deceased was only sixteen years of age. Life had apparently only begun for her and gave every promise of a beautiful womanhood, but death is no respecter of age or persons and came to her at a time least expected. Death loves a shining mark and all the care that could be given by loving hands was unavailing in warding off his darts.

Goddard & Myers, who have engaged in the business of painting and paperhanging, have dissolved partnership. E. A. Myers will continue the business of the firm.

Daily Thought.

Our passions and our necessities are our real tyrants. One should always be simple and virtuous, even if only for love of independence.—Mme. Ackermann.

Don't worry over lost articles—the News "Want Column" will find them.

The Names of Ada Persons Familiar To All.

Who are the witnesses?

They are Ada people—

Residents of Ada who have had kidney backache, kidney ills, bladder ills; who have used Doan's Kidney Pills. These witnesses endorse Doan's.

One Ada resident who is speaks is W. H. Buster, barber of 222 Thirteenth street.

Says Mr. Buster: "Doan's Kidney Pills were certainly good for kidney trouble and I can recommend them highly from personal experience. I had pains in my back and my kidneys were weak. Doan's Kidney Pills brought entire relief."

"When your back is lame—remember the name." Don't simply ask for a kidney remedy—ask distinctly for Doan's Kidney Pills, the same that Mr. Buster had—the remedy backed by home testimony. 50c all stores. Foster-Milburn Co., Props., Buffalo, N. Y.

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

The Evening News

By The News Publishing and Printing Co.

OTIS WEAVER President
BYRON NORRELL Editor
A. B. YEAGER, Business Mgr.

Entered at the Post Office at Ada, Oklahoma, as second class mail matter.

The News is strongly in favor of the proposition to purchase an office building in Oklahoma City for use as temporary capitol until the permanent building is erected and ready for occupancy. The state would be out more for rents than the temporary quarters would cost, and as it now the state departments are scattered all over Oklahoma City and very inconvenient. Furthermore, the chances are that the building it is proposed to buy could be sold for more than it cost when the permanent capitol has been built, for Oklahoma City will by that time have recovered from its present depression and property will again command fancy prices.

N. T. Tucker, who lives north of the city, near the cemetery, is suffering from a severe case of erysipelas which has attacked his face. Mrs. Tucker has also been very ill for several months past and the family is thus placed in a very deplorable situation.

SPECIAL SERVICES AT NAZARENE CHURCH

Beginning Thursday night and continuing over Sunday, Rev. S. H. Owens, district superintendent will be in charge. Rev. Owens is a strong and forceful speaker. Don't fail to hear him. This will be his first visit to Ada. S. B. DAMRON, Pastor.

The Perfect Baby Of The Future

A Simple Method That Has a Wonderful Influence upon The Future Infant.

Too much can not be said for a wonderful remedy, familiar to many women as Mother's Friend. It is more eloquent in its action than all

The health rules ever laid down for the guidance of expectant mothers. It is an external application that spreads its influence upon all the cords, muscles, ligaments and tendons that nature calls into play; they expand gracefully without pain, without strain, and thus leave the mind care-free and in joyful anticipation of the greatest of all womanly ambitions. Mother's Friend must therefore be considered as directly a most important influence upon the character and disposition of the future generation. It is a conceded fact that, with nausea, pain, nervousness and dread banished, there is stored up such an abundance of healthy energy as to bring into being the highest ideals of those who fondly theorize on the rules that insure the coming of the perfect baby. Mothers' Friend can be had at any drugist at \$1.00 a bottle, and it is unquestionably one of those remedies that always has a place among the cherished few in the medicine cabinet. Mother's Friend is prepared by the Bradfield Regulator Co., 139 Lamar Bldg., Atlanta, Ga., after the formula of a noted family doctor. Write them for a very instructive book to expectant mothers. See that your drugist will supply you with Mother's Friend.

IRRITATING COUGHS. DISTRESSING, DEPRESSING COLDS.

Surely and quickly yield to Dr. King's New Discovery. It soothes the inflamed and irritated bronchial tubes, stops the cough, in many cases instantly loosens the cold and aids expectoration. Don't be annoyed and suffer from coughs and colds. Take Dr. King's New Discovery and be cured.

"Owing to a severe cough and lung trouble I could not work at all for several months," writes Lewis Chamblin, of Manchester, Ohio. "Two of the best doctors could not help me. My weight ran down to 115 pounds. Dr. King's New Discovery cured me, and I now weigh 160 pounds."

"I am an old lover of your most valuable Godsend to suffering humanity—Dr. King's New Discovery,"—writes Jennie Fleming, New Dover, Ohio, "for it cured me of a dreadful cough of three years' standing. It was so bad that I would cough until I would be speechless, but, for the quick relief of your wonderful remedy gave me, it's worth more than all the remedies I ever used before."

Thousands have been helped in the same way, by Dr. King's New Discovery. It is not a new medicine, but one that has been used effectively more than forty-three years for the cure of coughs and colds. Your druggist will refund your money if Dr. King's New Discovery does not help you. Start taking right now. Sold by

Ramsey Drug Company

NORMAL NOTES By MOIKE CASSIDY

The Y. W. C. A. met this morning and completed the plans for entertaining the contestants and visitors who will be here for the track meet. All the trains will be met by different squads of girls with the assistance of the boy scouts. From the trains they will be taken to Mr. Blank's office where they will be assigned to their homes. They will be taken to their homes by the boy scouts. The De Sota will give a matinee Friday after at 1 o'clock for the boy scouts and each boy has invited the Y. W. C. A. girls.

And still they enroll. We will reach that 750 students for the summer term without a doubt.

DRY FARMING CONGRESS APPOINTS COMMITTEES

The Oklahoma Board of Control for the International Dry Farming Congress, which will be held at Tulsa in October has appointed a committee from every county in Oklahoma as a part of the organization. For Pontotoc county the members of the committee are as follows: Chairman, J. L. Barringer; Clint Palmer and R. W. Simpson. These are good selections and the interests of Pontotoc county will be well cared for.

Fights Scheduled for Tonight. Luther McCarty vs. Frank Moran, 10 rounds, at New York City. Johnny Coulon vs. Tommy Hudson, 8 rounds, at Windsor, Ont. Joe Rivers vs. Sam Robideau, 6 rounds, at Philadelphia.

LITTLE HOPE FOR THREE TERRY CHILDREN

Miss Minnie McCain is in receipt of a letter from her mother, Mrs. L. J. McCain who was called to Richardson, Tex., by the awful holocaust in which one of her grand children was burned to death, stating that her daughter, Mrs. Terry, will probably recover. However, very little hope is entertained for three of the children. It developed that two of the children, the oldest and youngest, escaped with out injury.

The fire originated under the stair case and is supposed to have started from a match dropped as the family retired to their rooms.

I have a few hundreds pounds of pecans which I take this opportunity to give to my customers. With each cash purchase of \$5.00 or more I will give five pounds of pecans; will give five pounds of pecans to my 30 day customers who pay up promptly. J. D. Rinzard. 20-11

THIS DATE IN HISTORY. April 30.

- 1732—Samuel Vetch, first governor of Nova Scotia, died. Born Dec. 9, 1668.
- 1789—Washington inaugurated first President of the United States.
- 1798—Navy Department of the United States established by act of Congress.
- 1803—United States concluded the purchase of Louisiana territory from the French.
- 1808—Union Temperance Society formed in Saratoga county, New York, this being the beginning of the Prohibition movement in the United States.
- 1810—General postoffice established at Washington under the postmaster general.
- 1874—The first agreement to fix railroad rates in the East made at New York.
- 1903—Dedication of the Louisiana Purchase Exposition at St. Louis.
- 1912—The cable ship Mackay-Bennett brought into Halifax the remains of 190 victims of the Titanic disaster.

SAID SHE WOULD FAINT

Mrs. Della Long Unable to Stand On Her Feet More Than a Few Minutes at a Time.

Pendergrass, Ga.—Mrs. Della Long, of this place, in a recent letter, says: "For five or six years, I suffered agonies with womanly troubles. Often, I couldn't sit up more than a few minutes at a time, and if I stood on my feet long, I would faint. I took Cardui, and it helped me immediately. Now, I can do my work all the time, and don't suffer like I did." Take Cardui when you feel ill in any way—weak, tired, miserable, or under the weather. Cardui is a strength-building tonic medicine for women. It has been found to relieve pain and distress caused by womanly troubles, and is an excellent medicine to have on hand at all times. Cardui acts on the womanly constitution, building up womanly strength, toning up the nerves, and regulating the womanly organs. Its half century success is due to merit. It has done good to thousands. Will you try it? It may be just what you need. Ask your druggist about Cardui. He will recommend it.

N. B.—Write to: Ladies' Advisory Dept., Chattanooga Medicine Co., Chattanooga, Tenn., for Special Instructions, and 64-page book, "Home Treatment for Women," sent in plain wrapper, on request.

BOOSTERS DESCRIPTION OF PONTOTOC CO. TOWNS

In Wednesday's Oklahoman appeared the following write-up of towns in Pontotoc county, being the impression made on the Oklahoman correspondent with the booster train:

Roff is an electric light town and has a telephone system, fine brick mercantile buildings, two banks with deposits of \$200,000, good sidewalks, four cotton gins, oil mill and compress. Roff claims to be the biggest cattle shipping point in Pontotoc county, has a fine high school and one of the best organized fire departments in the state.

Shortly before the train pulled into Ada, a stop was made to give the boosters an opportunity to inspect one of Oklahoma's greatest industries, the Portland cement mill, employing 300 men and maintaining a payroll of \$12,000 per month. The mill turns out 2,500 barrels of cement per day, one of the largest boiler batteries in the state drives the machinery of the enormous mill.

Ada has a population of 6,000 and here the boosters met many old friends and made a host of new ones. Ada is a model city of brick business houses and beautiful residences. In the town is located an oil mill, brick and tile works, ice factory, five gins and four banks with deposits of \$1,500,000.

Ada has a natural water supply from a great living spring which gives up 7,000,000 gallons of crystal water each day. At Ada is located the normal school with 300 pupils in attendance.

One-third of the land around Ada is under cultivation planted to alfalfa, wheat, peanuts, sorghum, corn and cotton.

The Ada compress handled last year 50,000 bales of cotton, and the ice plant manufactured for export 5,000 tons of ice. One thousand five hundred acres of fruit trees will soon be bearing in the vicinity of Ada.

Seventy-five thousand cattle are being grazed near Ada for shipment, and in the city of Ada are located cattle feeding pens that will care for 5,000 head of cattle the coming year.

When all the crops are planted around Ada there will be 50,000 acres of cotton, the same acreage of oats, 20,000 acres of wheat, 3,000 acres of kafir.

The school children of Francis together with the merchants, turned out to welcome the boosters and assure them of their continued friendship to Oklahoma's greatest commercial center.

Five cars of furniture and five cars of wire were recently shipped into Francis from Oklahoma City.

Francis is a Frisco division point and has a payroll of \$25,000 monthly, and a waterworks system costing \$50,000.

HOUSE WOULD NOT CURTAIL VETO POWER

Oklahoma City, April 30.—The house Tuesday afternoon by a vote of 35 to 24 killed the joint resolution by Smith of Pottawatomie which would have proposed a constitutional amendment limiting the veto power of the governor. Under the proposed amendment a bill without the emergency clause could have been passed over the governor's veto by a majority vote and one with the emergency by a two-thirds vote, the same vote required to pass them in the first place. It also provides that bills remaining in the governor's hands at the close of the legislative session should become laws unless vetoed by him within fifteen days, thus reversing the present procedure.

Gas Strike Near Comanche.

Comanche, Ok., April 30.—Messrs. Colcord, Galaway and others, owners of well No. 2, near Loco, sixteen miles east of here, were not satisfied with the strike of oil found at a depth of 627 feet. They cased it off and at a depth of 600 feet struck a flow of gas variously tested at 8,000,000 to 16,000,000 per twenty-four hours. They are anchoring the casing and will cap and use this gas as fuel in further operations in three new locations in that field.

Well No. 1, fourteen miles east, is down nearly 1,400 feet, having passed through several light strata of oil and gas and now has favorable indications.

Scott Braden and other Oklahoma City parties have made a location three miles northeast of town and state that the machinery has been shipped out of Tulsa and their driller is on the ground. They are also securing many leases west of town.

Man Wounded at Kiowa.

McAlester, Ok., April 29.—In a shooting affair this afternoon at Kiowa, Dan Veach was shot through the body with a forty-five and also received five buckshot in his body. He is in a hospital here. Two arrests were made by Sheriff Tatum.

Dr. PRICE'S CREAM BAKING POWDER

Perfectly pure, unquestionably wholesome. A pure food factor ante-dating all pure food laws. Indispensable for raising finest cake, biscuit and pastry.

No Alum. No Lime Phosphates

Be on guard against alum in your food. Prof. Johnson of Yale College says he "regards the introduction of alum into baking powders as most dangerous to health."

Read the label. Buy only where Cream of Tartar is named.

MORE OUT-DOOR LIVING

And Death Rate Will Be Lowered.

Statistics prove that the death rate is very much greater in the winter months than in summer, and that the lack of fresh air is largely responsible for this condition.

If the system becomes rundown, blood thin and watery, circulation poor, no appetite, don't dose with drugs, but take our delicious cod liver and iron tonic Vinol, not a patent medicine, as everything in it is named on every package and if it does not give you a hearty appetite, enrich the blood and create strength, we will return your money; that shows our faith in Vinol.

A case has just come to our attention from Albany, N. Y. Mrs. H. Hartman says: "I was in a run-down condition for about five years until this spring, when I learned what a good tonic and strengthener Vinol is. It is certainly the best tonic I have ever used and it has done wonders for me."

Try a bottle of Vinol, on our guarantee. Gwin & Mays Drug Co., Ada, Okla.

P. S. For Eczema of Scalp try our Saxo Salve. We guarantee it.

GAME WITH EDMOND THURS.

It is a hard matter for the students and members of the faculty to wait till 4 o'clock tomorrow for the big game with Edmond. The taste of a really good game of baseball has but whetted their appetites for more. The players are trimming their fangs, ready to plunge at the throat of their waiting prey. Of course, the prey may not succumb to the plunge so very easily, but the plunge will be made, nevertheless.

It seems to be a hard matter to get some one who really wants to play left field. All the boys say they cannot see the ball when it is knocked

in that direction. Whether or not this is a myth is not known positively. Roddie perhaps will be switched to that field, although he is proving to be a star in right field.

Pat Jones is slated to pitch the first day, though a change may be made on the last, when Edmond's line-up is learned.

E. J. Merritt, H. S. Williams, G. W. Matthews and W. L. Meharg were up from Fitzhugh today. They report that there is no oil fever in that section, but people are very much awake as to hogs and cattle.

New Wall paper coming in all the while at Holley's. 229-11
